MAINTENANCE AGREEMENT RATE CALCULATION SHEET

Due to the extensive list of products offered a maintenance agreement rate calculator has been established and is to be representative of a maintenance agreement catalog.

Any maintenance agreement purchases are for a minimum period of one year "12 monhts".

The maintenance agreement services are to adhere to the Maintenanace Contract Agreement Terms & Conditions.

RATE is equal to 1% of the List Price of each item per month.

Example: Item has list price of $1000.00 & a Contract purchase price of $800.00
Monthly Maintenance Rate would be $10.00 per month
1000 X .01 = 10.00
